A message from Mims Davies MP and the Conservative Team working hard across the Eastleigh Constituency

DELIVERING PROMISES

Mims Davies MP is making her election commitments happen

Dear Residents,

It has been a year since the General Election. From day one I have been working hard to make sure that Eastleigh has a clear voice in Westminster. I am delivering results locally on infrastructure, traffic, planning and much more. The Botley Bypass has been out for public consultation, the Chickenhall Link Road was in the Chancellor's Budget Book and the LEP are proceeding with a bid.

I have stood side by side with residents in fighting the Council's plans to tarmac our ancient woodland. I have a plan for our area that means securing new jobs, sorting out the appalling traffic and bringing real local democracy in.

Day in day out I hear from residents that we need real change. We need a local Council that listens to residents rather than ignores them. We need a Local Plan that doesn't dump thousands of houses on an already strained road network. This means electing more Conservative local Councillors who will stand up for residents. We will continue to fight for every seat and are always happy to hear from new activists and potential candidates.

Many constituents have been in touch with me regarding the delay in waiting times for GP appointments. I informed the Government that this was unacceptable and have made sure that the Clinical Commissioning Group quickly investigated and is working on these issues.

For more information on my many other local campaigns please do see my website or get in touch.

REGULAR ADVICE SURGERIES

If you would like to see Mims, for help or advice, please contact her to come to one of her regular surgeries which are held across the constituency several times a month.

If you can't come in no problem Mims, or one of her team, will visit you! Just get in touch.
